A Sobering Thought & Warning . . . Ezekiel 3:18

“When I say unto the wicked, Thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way to save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand.”

An outspoken atheist, Penn Jillette, justly commented about Christians . . . that if we truly believe there is a Heaven and Hell, and we have the solution for them NOT to go to Hell . . . how much do we really hate those people from whom we withhold the Gospel?!

[18] **COMMENTS TO TAKE SERIOUSLY**

Sooner or later you will be talking face-to-face with someone.

Please keep in mind:

a. They are mired in the world's system. They can't perceive of God's love and Salvation plan. The most they've heard about Christianity sounds like a fairy tale! (Noah's ark? Give me a break!)

b. They've come in contact with some Christians and echo Mahatma Gandy who famously said he'd become a Christian . . . except for Christians (C.I.N.O.s). Many see no difference in the so-called Christian life-styles as theirs. And maybe they've had a bad experience with a church member or group.

c. Most people you will come in contact with consider themselves good persons. After all, they haven't killed or robbed anyone! Besides they may do some things wrong, like lying, but the good things they do outweigh the bad . . . so they're set! (So they think.)

d. Then of course they really don't want to be accountable to a God they can't see. In fact, they really want to be their own God! Most probably they are immersed in sins that they enjoy. And if they seek some kind of 'Salvation' they want to be a part of the process.

They don't want a "god" to get all the "credit!"

e. Then there's Satan; who hates them, and will do anything to capture their soul to join him in Hell.

We really have to feel sorry for them!

And have compassion, and patience! In my wife's case, it took twenty months and eight individuals testifying to her before she transitioned from pagan to Christian.

This is why we have developed the G.W.E.P. Program with many different contacts to help your loved ones to also make the transition from pagan to Christian; ***to truly help rescue them from going to Hell!***

Satan is relentless; your loved ones and mine are worth our diligent efforts of time and expenditure of our money!

But, we can't neglect all those other lost people we come in contact with everyday!

Thus "The Light" newsletter, the website: "SharingGodsAloha.com;" pointed brochures, and the Month-By-Month Tract Set . . . and at Christmas time, greeting lost people who desperately want to experience the Joy of Christmas!

It's just that they don't know how if we don't tell them!

BUT, BUT, BUT . . .

[3]

"I don't have the time to share God's love; besides, I DON'T

REALLY KNOW WHAT TO DO!!!

I wouldn't know how to start a conversation to talk about Jesus.

I don't think I would know

what to say; how to answer their questions. Besides those things, I don't want them to shut me out; out of their lives ~ I value their friendship above everything else!"

We all have our excuses! But, that does not change the fact that we, who call ourselves Christians, who enjoy knowing God, who revel in having our "passport" to Heaven . . . have an obligation to ALL with whom we are in contact — BUT HOW MUCH MORE TO THOSE WE SAY WE LOVE?!

"It is the height of selfishness that a Christian is content to enter Heaven . . . ALONE!"

~ Pastor Skip Heitzig

It is wonderful to fellowship with other Christians, to worship, to study the Bible to gain a greater appreciation of what God has done for us, and what we can look forward to in Heaven.

But what about ~ AT LEAST ~ your unsaved friends & family that you say you love?!

"The Light"

Disturbing The Darkness With God's Truth

Monthly News of End-Times Events & Biblical Wisdom ~ November 2024

WHAT IS GOING ON IN THIS COUNTRY!

Crime is a plague. Illegals swarm our borders. Dishonest elections. Crooked politicians. Killing the next generation promoted. Thievery ignored. Criminals released after being arrested. Police defunded and handcuffed. Illegals coddled while veterans and others are ignored. Inept leaders who foster divisions and promote evil. Children influenced to "choose their sex." Unbelievable price increases for essentials.

IS THE FUTURE BLEAK?

If you haven't read the Bible extensively, you really do not know what is going on! Our purpose with this monthly newsletter: "The Light," and tied to our website: "SharingGodsAloha.com" is to alert you to events that have been prophesied centuries ago, and are NOW COMING TO PASS!

Our intention is to bring you more up to date month-by-month. You should subscribe to our newsletter so you will truly be able to answer the question: "WHAT'S GOING ON?"

FOR INSTANCE ~ What Is The Significance Of Jews Returning To Israel?

On May 14, 1948, Israel was reestablished after 2,000 years, and Jews flocked to the rebirthed country in droves from all over the world. An incredible occurrence! Not only that, they established ancient Hebrew as their national language, and the ancient Shekel as their monetary system, and its capital Jerusalem! *

A COMING EVENT OF SIGNIFICANCE ~ Extraction Of Christians.

While the world is in turmoil now, with evil and corruption all around, we've seen NOTHING yet. The Bible states that God will extract true Christians from earth before an era of unimaginable trouble of wars, pestilence and famine. **

END-TIMES PROPHECIES ~ Coming To Pass

God wants us to know about events that will take place that will affect our lives BEFORE the events occur. That's why He provided over 8,000 verses in His Bible warning of coming events. If you want, go to our website SharingGodsAloha.com, go to the "Prophecy" page, check-off what has already occurred, what is happening now, and learn what's still to come. ***

TRIBULATION PERIOD

If you relate at all to what we're trying to bring to your attention, then please do read Romans Chapter One, and Ezekiel chapters 38-39 that describe a war that is right now in the making. Go further on YouTube and on the Internet and look up: the Rapture; Antichrist; End Times; SharingGodsAloha.com. You will get educated quickly, giving you a whole new perspective of what is really going on now, and what will be going on in the near future.

As a result you will know the answer to "What's Going On," and respond to God's messages of hope! We intend to add to your knowledge base in subsequent issues of: "The Light."

Each issue encourages them to go to SharingGodsAloha.com for more info & FREE STUFF.

COMPOSING YOUR TESTIMONY MADE EASY

From the Billy Graham Evangelistic Association:

Your Christian testimony - the story of how you came to know Jesus and how He has changed your life - should not be a surprise to your relatives and friends, but should simply confirm and clarify your lifestyle, values, and decisions.

We recommend writing out your testimony so you can share it with all others as the opportunities arise. Your testimony can open a broader conversation about Jesus and what it means to have a relationship with Him.

As you write it out, think about those you're going to share it with - that will help you choose your words and determine what to include. (*We recommend the K.I.S.S. principle "Keep It Simple to understand, and Succinct."*)

Remember . . . the purpose of this exercise is two-fold:

- [1] to remind you of God's faithfulness to YOU,
- [2] to then share with others your relationship with Jesus.

As you write your story, keep these tips in mind:

- [a] Use everyday words . . . and in a conversational tone.
- [b] Avoid "religious" phrases and jargon.
- [c] Share from your heart - Do Not Preach!

God's Word offers the best outline for your testimony.

Acts 26 records how the Apostle Paul stood before King Agrippa and gave his testimony - boldly, simply, and logically.

THE THREE POINT OUTLINE

[A] **My life before I came to Christ:** Share relevant information like your age, friends and family, your lifestyle (Note: but don't be too dramatic about your sinfulness lest it be too prominent in your story.)

Include information you know unbelievers will be able to relate to. Connect your own experience to universal needs like love and forgiveness.

[B] **My conversion experience:** Consider the circumstances that led you to Jesus. Think about key events and turning points. Include your encounters with people who gave you their testimonies, perhaps prayers you prayed, and scripture passages that touched you.

[C] **My New Life:** Share how Christ has changed your life. How has your behavior, motivation, and values changed? In Acts 26:21-23, Paul declares his identity is now in God. Declare how your identity has changed.

NOTE: Mention the Prayer Card so you know how to pray for them, and remind them to go to: SharingGodsAloha.com for articles, videos and get FREE STUFF, and to give their email address for "The Light" newsletter.

HELP REDIRECT YOUR LOVED ONES TO HEAVEN

"At Least Do Something!" to "Share God's Aloha!"

Unsaved Family & Friends are on their way to Hell unless YOUR love and concern is expressed in **DELIBERATE ACTION & PRAYER.**

This plan can be a major aid for you to help rescue them from the suffering of hell! The Program only takes **ONE HOUR** per year of your time **plus prayer** to help each loved one to better know Jesus!

All it takes is seven mailings: six greeting cards~ "Greetings With Eternal Purpose," plus a Gospel Tract, all at less cost than a typical card that has no meaningful message of hope.

We also support your efforts by having a website they can go to, as well as our monthly emailed newsletter:

"The Light."

As part of this Program, **OR at the very least,** provide them with your testimony of what it has meant for you to have accepted Jesus as your **Savior**
